### What Trusted Servants (Officers) Do We Need?

It takes member participation to ensure that group service work is done. Most of us agree that A.A. ought never be "organized." However, without endangering our commitment to preserve our spiritual and democratic Fellowship, we can "create service boards or committees directly responsible to those they serve" (Tradition Nine). In A.A. groups, these trusted servants are sometimes called "officers" and usually are chosen by the group for limited terms of service. As Tradition Two reminds us,

"Our leaders are but trusted servants; they do not govern."
